

POS-DOC FELLOWSHIP

From CAPES - Brazilian Funding Agency

Nano Optics Laboratory

Physics Department / UFPE

*** Recife-PE, Brazil ***

Physics in UFPE is recognized as top quality in Brazil

Project: “Nonlinear and quantum optics of single nanoemitters and coupling to optical microcavities with ultra-high quality factors”

Monthly: R\$ 3,300.00 fellowship + R\$ 1,000.00 bench fee
(life costs lower than in Europe!; fellowship ~35% upgrade after 3rd month)

Profile: Doctorate in optics or similar (experimental is a plus)

Contact: Prof. Leonardo Menezes (lmenezes@df.ufpe.br)

<http://blogs.df.ufpe.br/~lmenezes>

(Selected candidate should receive air tickets to Recife; Contact at latest by November 23rd)
